Dear future Gastfamilie,

Ich heiße Vianna, I am writing to introduce myself as the exchange student who will be joining your Familie in Deutschland. I am so excited to be staying somewhere overseas. I am looking forward to the opportunity to live with you and experience your culture firsthand in this once-in-a-lifetime experience. I hope we can get along well together and have fun times.

Ich lebe in Australia, the largest country in Oceania. I live with meine Vater und stay with meine Mutter on weekends. Ich bin in Klasse 10 and enjoy going to my Schule, a School of Arts, I love hanging out with my friends in class and going to the city with them. I love taking photos of new foods and places I try and go in the city. In my free time after school, I walk my dog, vacuum the house, catch up on homework and watch shows and movies while I draw. I love collecting cool figurines and cute stuffed animals and trinkets. At Meine Vater's house, I stay with my dog, my Vater's partner und 2 chickens. At Meine Mutter's house that I go to on the weekends my sister and my mutter's partner live there. I often go swimming on the beach with my friends on the weekends. I love to eat sweet, salty and spicy foods.

I am looking forward to eating and cooking lecker Deutsch cuisine as well as sharing food from Australia. I am excited to see snow in Deutschland because it does not snow in Australia. I am also eager to learn more about your traditions, language, and way of life. I hope to immerse myself fully in your culture and create lasting memories with your Familie.

Danke for welcoming me into your home, I cannot wait to meet you!

Sincerely,

Vianna
