Hallo!

Ich heiße Ryan, komme aus Taiwan, bin 16 Jahre alt und gehe gerade auf die High School. In meiner Familie sind ich, mein Papa, meine Mama und mein kleiner Bruder. Außerdem haben wir zwei Katzen und zwei Hunde.

Football is one of my greatest passions, and it has been a central part of my life since I first started playing at the age of four. Over the years, the sport has taught me valuable lessons beyond just physical skills. It has shown me the importance of teamwork, as success on the field relies on cooperation and communication between teammates. Football has also taught me the value of dedication, as improvement requires consistent hard work, and perseverance, since every match and training session presents new challenges to overcome. I truly enjoy being part of a team, as it allows me to work together with others towards a common goal, supporting each other through both victories and setbacks. I'm excited to continue playing, learning, and improving during my time with you, and I look forward to the opportunity to grow both as a player and as an individual.

I am incredibly excited about the opportunity to be part of your family for a year. I can't wait to experience your culture, daily life, and traditions firsthand. I am eager to share Taiwanese culture with you, whether it's through food, language, or stories about my hometown, and I hope we can create unforgettable memories together.

I am committed to adapting to your family's routine and respecting your rules and customs. I am looking forward to getting to know each of you and becoming a part of your family during this special year. Thank you for considering me to be a part of your lives!

I am truly excited about the adventure ahead, and I hope we will have a wonderful year together.

Best regards,

Ryan
