Hallo Gastfamilie,

Thank you for being willing to host me. I look forward to creating wonderful memories with you!
Vielen Dank für Ihre Unterstützung!

Mein Name ist Miles. Ich bin 16 Jahre alt und habe eine Schwester, die 11 Jahre alt ist. Currently, I live with my parents and my sister. I have a lovely family, and we often have dinner together on weekends. Sometimes, we travel back to another city in Taiwan, to visit my grandparents, who always prepare a big meal to welcome us. I also have many close friends, and we share a strong bond of friendship.

My favorite subject at school is history because I enjoy learning about past events. People who know me often say I am friendly and humorous. I am also good at swimming, having joined my school's swimming team when I was in junior high. Thanks to that experience, I learned an important lesson about determination, which helped me a lot, especially when preparing for the CAP (Comprehensive Assessment Program), the entrance exam for senior high school in Taiwan.

I hope to share some popular and traditional Taiwanese dishes with you, such as braised pork and fried rice. To prepare for this, I've even asked my mom to teach me some cooking tips. I've also looked up recipes and practiced them, so I hope I can make delicious meals myself. And if you'd like, I can teach you some Chinese too!

I've heard that Germany has many kinds of sausages, and I'm curious about the differences between them. I would love to try them all! I also know that German car brands like Audi, Porsche, and BMW are famous worldwide for their craftsmanship. But what excites me the most is the castles, especially Neuschwanstein Castle. We don't have castles in Taiwan, so I'm eager to see them and experience their majestic beauty.

Ich freue mich darauf, euch bald kennenzulernen!

Best regards,

Yu Hsin (Miles)
